Employment History:

PROJECT ENGINEER (SINDH REGION),

Total No's of New Schools 98 of Sindh (Light Gauge Cold Formed Galvanized Steel Structures). Project funded by the Education & Literacy Department, Government of Sindh.

From Dec: 1ST MARCH 2018 to 30TH JUNE 2019

Project Summary.

KAPEC is a Construction and Project Management Company with special emphasis on Pre-Engineered Light Gauge Cold Formed Galvanized Steel Structures. Being a member of the Socio Engineering Consultants Group (SEC) KAPEC has previously operated as a Division of SEC. Later last year SEC owners decided to incorporate KAPEC as a separate limited company in order to handle the volume of work generated in the earthquake affected areas of AJ&K. Thus KAPEC (Pvt) Ltd was incorporated as a separate entity but under the same SEC ownership and management.

KAPEC Engineers, Surveyors and other technical staff are fully occupied in implementing a number of projects in AJK in connection with Middle schools construction in the earthquake affected areas of Bagh, Poonch and Muzaffarabad Districts

The Education & Literacy Department, Government of Sindh has aimed to launch interactive learning project in 98 schools of Sindh. The Education & Literacy Department, Government of Sindh has aimed to launch interactive learning project in 98 schools of Sindh.

Duties: Working as Resident Engineer and Responsible for:

- Preparation of a baseline schedule in coordination with the project's staff including timeframes, resources, equipment,
- Prepare work plan / activity schedule as per Drawing.
- Review schedule submitted by contractors in their bids and make input to evaluation as part of contractor selection/evaluation process.
- Preparing Daily Site Reports for the consultant and Issuing Daily/Weekly Construction Schedules for the Construction Team.
- Site Supervision & Monitoring of daily activities.
- Construction Planning, Cost Estimating,
- Developing Key Performance Indicators (KPIs) as required by clients and finding ways to achieve them with high efficiency and effectiveness.
- Preparation, submission and updating of the project master program.
- └ Supervise all Structural works as per Client specification and standards While keeping all safety measurements.
- Travelling frequently in all over SINDH.

PROFESSIONAL EXPERIENCES:

Employment History:

Resident Engineer,

Jamrao Canal Lining, Rehabilitation and Reconstruction of Irrigation Structures, Roads and Bridges. (NARA CANAL).

B.M Consultant & Engineers, (Pvt.) Ltd. Karachi. (BMCE) (Leading Firm)

(Joint Venture with National Development Consultant Pvt. Ltd Lahore (NDC)

and Baarqab Consultant Services (Pvt.) Ltd Lahore.

From Dec: 2016 to January 2018.

a. Rehabilitation of Jamrao Canal Old From Mile 0 to Mile 49 (total 49 Miles).

b. Rehabilitation of Jamrao Canal Twin From Mile 0 to Mile 59 (total 49 Miles).

c. C.C Lining of Jamrao Canal West From RD 0 to RD 300 (Tail).

Project Summary.

The main object of the Project is to provide equitable and assured water supply to the farmers especially at the tail end areas of Jamrao Canal. The present situation / problem is that Jamrao Irrigation System off taking from Nara Canal is in dilapidated condition due to the following reasons. The Major problem to be solved is to improve the operational efficiency by ensuring the safety of canal system and delivering due share of water to the farmers in the tail reaches of the canals with adequate supplies and providing roads of both (NIP and IP Sides. This can be achieved by implementing the project of Rehabilitation & Lining of Jamrao Canal comprising following components.

Duties: Working as Resident Engineer and Responsible for:

- Monitoring all over the Cement Concrete Canal Lining work as per Specification and Design Drawing.

Dated: 23.12.2013

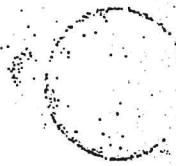

To whom it may concern

It is certified that Mr. Yasir Varyam Mughal resident of Hyderabad had worked in our Company as Senior Engineer from 1.12.2011 to 30.9.2013 in the Flood Emergency Reconstruction Project (Irrigation Sector) funded by Asian Development Bank.

His prime responsibilities were site supervision and assisting Deputy Project Manager in the Project Management. He has also assisted the Procurement Specialist (PMC) in various activities relating to tendering, bids evaluation and contract awards.

During his tenure, we found him very sincere, intelligent cooperative and devoted to his work.

(Engr. Bashir Ahmad Dahar),
Chief Executive Officer,
B.M. Consulting Engineers (Pvt) Limited.
